

## The Super Fun Card Game!

*Easy to Learn • Fun to Play • Full of Surprises!*

### ⚡ Quick Facts

👥 **Players:** 2 to 6 people

⌚ **Time:** About 20-30 minutes

🎂 **Age:** 8 years old and up

🎯 **Goal:** Get 50 Luck Points first to WIN!

## What's in the Box?

- 60 colorful game cards
- 60 Luck Point tokens (like poker chips)
- 1 Score Sheet (to keep track of points)
- This rulebook (you're reading it now!)

## How to Set Up (Super Easy!)

### STEP 1

Shuffle all 60 cards and put them face-down in the middle of the table. This is your DECK.

### STEP 2

Give each player 10 tokens. These are your starting Luck Points!

### STEP 3

The youngest player goes first. Play goes clockwise (to the left).

 **That's it! You're ready to play!** 

# How to Play Your Turn

It's SUPER simple! Just 3 steps:

## 1 FLIP

Pick the top card from the deck and flip it over so everyone can see it!

## 2 SHOUT

Read the card name out loud! Get excited! Say it with feeling!

*Example: "LUCKY HEIST!" or "Oh no... BROKEN MIRROR!"*

## 3 DO IT

Do what the card says right away! Gain points, lose points, or do something fun!

Then it's the next player's turn! Easy peasy! 

## Types of Cards (6 Kinds!)

There are 6 different types of cards. Here's what they do:

### ♦ Lucky Find Cards (10 cards)

**YOU GET POINTS!** These are the GOOD cards! You gain Luck Points from +3 to +7!

*Examples: Four-Leaf Clover, Rainbow, Lucky Penny, Horseshoe*

### 💔 Unlucky Break Cards (8 cards)

**YOU LOSE POINTS!** Uh oh! Bad luck! You lose Luck Points from -2 to -7.

*Examples: Black Cat, Broken Mirror, Spilled Salt, Friday the 13th*

### entiful Steal Cards (10 cards)

**TAKE FROM OTHERS!** Pick another player and steal their Luck Points! Be sneaky!

*Examples: Pickpocket (steal 2), Lucky Heist (steal 5), Robin Hood*

## 🌀 Twist of Fate Cards (12 cards)

**GAME CHANGERS!** These cards make CRAZY things happen! Everything changes!

*Examples:*

- Flip Flop - First and last place SWAP points!
- Double or Nothing - Flip a coin! Win = double points! Lose = half points!
- Lucky Break - Draw TWO more cards right now!

## ✿ Blessing Cards (6 cards)

**SUPER POWERS!** Put this card in front of you! You get special powers for 2 turns!

*Examples:*

- Guardian Angel - Protected from bad cards for 2 turns!
- Golden Touch - Get DOUBLE points from Lucky Find cards!

## ဘုံး Curse Cards (6 cards)

**BAD LUCK SPELL!** When YOU get this, put it in front of you. It makes things harder for 2 turns. Yikes!

*Examples:*

- Jinxed - You only get HALF points from good cards
- Bad Luck Streak - Bad cards hurt you MORE

## How to Win

**Be the FIRST player to get 50 Luck Points!**

 **WINNER! WINNER! LUCKY DINNER!** 

## Important Rules to Remember

- You can NEVER have less than 0 points. If you lose more points than you have, you just go to 0.
- Blessing and Curse cards stay in front of you until they're done (usually 2 turns).
- If the deck runs out, shuffle all the used cards and make a new deck!
- **Have FUN! Cheer when you get lucky! Laugh when bad things happen! It's all part of the game!**

# Let's See How It Works!

Here's a quick example with 4 players:

 **Emma has 15 points**

 **Jake has 28 points**

 **Mia has 10 points**

 **Noah has 22 points**

## **Emma's Turn:**

Emma flips a card... it's **RAINBOW SIGHTING!**

She shouts: "*RAINBOW SIGHTING!*"

**She gets +7 points! Now she has 22 points!**

## **Jake's Turn:**

Jake flips... **LUCKY HEIST!**

He points at Emma and says: "*I'm stealing from YOU!*"

**Jake steals 5 points from Emma! Jake now has 33, Emma has 17!**

## **Mia's Turn:**

Mia flips... **FLIP FLOP!**

**WHOA! First place and last place SWAP!**

Jake had the MOST (33) and Mia had the LEAST (10)... they swap!

**Now Mia has 33 and Jake has 10! Everyone laughs!**

**See how FUN and CRAZY it can get? **

## Tips to Help You Win

- If you're LOSING, don't give up! Cards like Flip Flop or Karma Swap can help you win from last place!
- If you're WINNING, watch out! Everyone might steal from you!
- Blessing cards are SUPER helpful! If you get Guardian Angel or Golden Touch, you're lucky!
- **When you flip a card, make it EXCITING! The more fun you have, the better the game!**
- **Remember: It's not about being smart or strong. It's about being LUCKY! Anyone can win!**

## Why Kids LOVE Lucky Flip

- **It's FAST!** No waiting around. Flip, read, done!
- **It's SURPRISING!** You never know what card comes next!
- **You can win from LAST PLACE!** Comebacks happen all the time!
- **It's FAIR!** Everyone has the same chance because it's all about LUCK!
- **You get to STEAL from your friends!** (In a fun way!)

## Note to Parents & Teachers

Lucky Flip is designed to be:

- Easy to learn (2 minutes to teach)
- Quick to play (20-30 minute games)
- Educational (counting, reading, strategic thinking)
- Social (encourages interaction and good sportsmanship)
- Fair (anyone can win regardless of age or skill)

**The game teaches kids about:**

- Math skills (adding and subtracting points)
- Reading comprehension (following card instructions)
- Handling disappointment (losing points) and excitement (gaining points)
- Understanding probability and chance
- The value of perseverance (comebacks are possible!)

# ✿ You're Ready to Play! ✿

*Remember: It's all about having FUN!*

**May the LUCK be with you!**
